This document helps you by summarising best practices in recruitment and screening.

INTERVIEW QUESTIONS FOR EMPLOYING PEOPLE WORKING WITH CHILDREN & YOUNG PEOPLE

When recruiting employees, contractors and volunteers, the Victorian Child Safe Standards recommend [sports/organisations] conduct at least one face-to-face or video interview for candidates that will have direct or indirect contact with Children & Young People (**CYP**). It also requires the interviewer to explore issues relating to the candidate's suitability to work with CYP.

To assist you in meeting these requirements, it is suggested that a minimum of 2-3 questions can be asked during interviews, focusing on more questions based on how much involvement the role will have with kids in [sport/organisation]. Select 2-3 questions to suit the circumstances applicable to you:

- Would you tell us about your experience in relation to working with Children & Young People?
- How would you handle Children & Young People behaving in a manner that is disruptive or aggressive in a group setting?
- What would you do if you thought another person was harming a Child or Young Person?
- Have you ever had any disciplinary action taken against you in relation to you working with Children & Young People?
- Can you tell us about any Children or Young People you have found challenging to work with? What strategies do you use to handle challenging behaviour?
- How would you handle a situation where one of the kids appears out of sorts and refuses to participate in activities?
- Have you ever dealt with a parent who had concerns about the safety of their child or young person? If so, how did you manage that situation?
